

Heart AED / (Aventric Technologies LLC)
Sudden Cardiac Arrest / AED Awareness Presentation

Organization: _____ Date _____

1. When assisting in an emergency it is important to assess the scene for your own safety and the safety of others. Was this adequately explained? YES NO
2. Has this presentation given you a better understanding of **Sudden Cardiac Arrest** (SCA)? YES NO
3. Were the following signs of Sudden Cardiac Arrest (SCA) adequately described? YES NO
 - **Unconsciousness**
 - **Not responding**
 - **Not breathing or not breathing normally** (i.e gasping, gurgling, moaning, or labored breathing)
 - **Seizures or convulsions may occur upon collapse**
4. The American Heart Association links of the adult “Chain of Survival” for SCA are:
 - **Early Recognition** that of a cardiopulmonary emergency exists
 - **Early Access** to Emergency Medical Services (EMS) or 911
 - **Early CPR** – Extremely important part of the response
 - **Early Defibrillation** – Make sure to stand clear and follow AED prompts
 - **Early Advanced Care** - Having qualified paramedics and/or healthcare providers respond

Was this adequately described in the presentation? YES NO
5. An automated external defibrillator (AED) should only be used if the victim is unconscious, not responding, and not breathing or not breathing normally. Was this adequately explained? YES NO
6. AEDs, equipped with pre-connected adult electrodes, are set to be used on individuals who are 8 years of age or older. Was this adequately explained? YES NO
- 6a. AHA has approved the AED use on infants and children age 0-8 years, ideally with the use of reduced energy pediatric electrodes. Was this adequately explained? YES NO
7. Are you comfortable with having this lifesaving device on site? YES NO
8. Are you currently CPR/AED certified? YES NO
 - 8a. If you are currently certified, will you use an AED if necessary? YES NO
 - 8b. If you are not certified would you use an AED should certified staff be unavailable? YES NO
9. Do you have an interest in becoming CPR/AED certified/trained? YES NO

If YES - **PRINT** your name here: _____ **Require recertification** ____ (check)

10. What is your overall rating of this presentation? GOOD FAIR POOR

Comments:

Thank you for your time and comments. This presentation is for informational purposes only. It is not an American Heart Association sanctioned CPR/AED training/certification course
