Need money for college or technical school?

The Free Application for Federal Student Aid (**FAFSA**) is the key to getting federal financial aid to help pay for education expenses beyond high school. The FAFSA is also required for many scholarships!

Whether you are looking to attend a university, community college, vocational or technical school, we can help you get free money for your education or training!

Stop-in to the OHHS library during parent-teacher conferences on Monday, November 22nd from 4:00-7:00 PM to complete the 2022-23 FAFSA form.

From 4:30-6:00 PM the Director of Financial Aid, Kemmoree Duncombe, will be joining us again to help students and families complete the FAFSA and answer any questions about paying for college.
