Attention Falcons! Starting this week until the end of the year, we have a new word each week. Studies have shown students who increase their vocabulary have greater rates of success at school and their chosen occupations when school ends. If you'd like a chance at end of the year prizes, please find Mr. Pilarski in the halls or during lunch for more information.

Our first word of the week is: Rapport.

Rapport is defined as - A close and friendly relationship in which the people or groups concerned understand each other's feelings or ideas and communicate well.

Here it is in a sentence - The two teachers had worked together for many years and developed a positive rapport.

Be sure to check out the display case near the main office if you want to review our word of the week.

Any baseball player that is interested in fall workouts we will be meeting on Sundays at the high school field from 5:30 till 7:30 starting this Sunday September 8th. Any questions ask coach Powley or coach Rodriguez.

There is an NHS meeting tomorrow, Thursday, September 5th. This meeting is the third school day of the month instead of the second. If members have their hours in from 2nd semester over the summer, bring your hours to the meeting. If you did not get your hours in over the summer for the 2nd semester of the 2023-2024 school year, then you will be kicked out of NHS."
