

Ogemaw Heights High School
Daily Announcement
Tuesday, December 3, 2024

Congratulations to this week's Falcons of the week - Andrew Hall, Noel Cain, Naomi Hosted, Douglas Sentz. Please stop in the office and see Mrs. Rice for your lunch and popcorn/slushie passes.

Attention all Seniors: The Leslie Jameson Scholarship is now available for any senior who is headed into the Medical field after high school. If you are interested in completing that scholarship, pick up a copy from Ms. Hofer in the Counseling Office.

Curious about what the Ogemaw Road Commission has to offer for a career? If so, join us in the Library at 9:30 to hear about what type of careers, and the education level required to work for the Road Commission! If you have any questions, reach out to Ms. Webb, the Career Navigator.

The next NHS meeting is today in the library right after school - please plan to attend.

Attention all FFA members, we will be having a committee meeting on Thursday, December 5 right after school in Mrs. Nowakowskis room (112). We will be discussing decorating the float for the West Branch Christmas parade. Also if any members fundraised money to get an FFA jacket you NEED to be at this meeting so you can get fitted for the jacket.

Falcons, this month is all about responsibility, so our words should reflect that. Here is our first word of the week for December: **Conscientiousness** Conscientiousness is the trait of approaching your work or life with purposeful intention. It is the quality of being meticulous, deliberate, and responsible. Here it is in a sentence: If you want to succeed, you'll need to work hard and exercise a high level of conscientiousness. See the display case outside of the main office for more information about our word of the week.
