

*Ogemaw Heights High School*  
*Daily Announcement*  
*Thursday, April 3, 2025*

Congratulations to this week's Falcons of the week - Ryan Link, Jayden Hall, Peter Hennard, Megan Belanger - please see Mrs. Rice in the office for your lunch, popcorn and slush passes.

Attention all students taking Kirtland classes next fall: Please turn your signed Dual Enrollment paperwork into your counselor. Registration for your Kirtland classes requires those papers, and the sooner you turn them in, the better chance you have of getting the courses you want. Thanks!

Ogemaw Hills Free Methodist Church will be having an Easter celebration on Saturday, April 19th from 1-3. They are looking for any artistic students who would be willing to do some face painting. Supplies will be provided. NHS students, if you are needing volunteer hours, this would qualify. For more information, reach out to Mrs. Older.

Reminder: The NHS meeting today, Thursday, April 3rd this week in the library. Members running for office need to be ready to speak on why they want that position. Be sure to stop in and see Mrs. Rexford in Room 153 before the meeting if you are running for office.

See you there!

Falcons, sometimes having a hint about the future can get us through tough times. If we watch trends and habits of the past, it can allow us to persevere against the most difficult challenges. This word is all about looking towards the future. Our word of the week is Prognosticate. To prognosticate is to foretell, forecast, predict, or prophetise. Here it is in sentence: Mr. Pilarski used past attendance records to **prognosticate** that there would be a drop in tardiness after spring break. Everyone comes back refreshed and ready to work. See the display case outside the main office for more about our word of the week.

Baseball players pictures are today, make sure you have your uniforms.
