*Friday, April 4, 2025*

Congratulations to this week's Falcons of the week - Ryan Link, Jayden Hall, Peter Hennard, Megan Belanger .

Prom guest forms will be available starting Monday, April 7, 2025. Due back by Thursday, April 17, 2025 by 2pm. NO LATE forms will be accepted.

Prom tickets will go on sale starting Monday, April 21, 2025 for \$30 each. Tickets will be available between classes from Ms. Thomas, Mr. A. Miller and in the office between classes and at your lunch from Mrs. Rice.

Attention all students taking Kirtland classes next fall: Please turn your signed Dual Enrollment paperwork into your counselor. Registration for your Kirtland classes requires those papers, and the sooner you turn them in, the better chance you have of getting the courses you want. Thanks!

Ogemaw Hills Free Methodist Church will be having an Easter celebration on Saturday, April 19th from 1-3. They are looking for any artistic students who would be willing to do some face painting. Supplies will be provided. NHS students, if you are needing volunteer hours, this would qualify. For more information, reach out to Mrs. Older.

Seniors - did you ever play or cheer for the Ogemaw Browns? There are scholarships available, please see Mrs. Thurston in Room 159.

Falcons, sometimes having a hint about the future can get us through tough times. If we watch trends and habits of the past, it can allow us to persevere against the most difficult challenges. This word is all about looking towards the future. Our word of the week is Prognosticate. To prognosticate is to foretell, forecast, predict, or prophesize. Here it is in sentence: Mr. Pilarski used past attendance records to **prognosticate** that there would be a drop in tardiness after spring break. Everyone comes back refreshed and ready to work. See the display case outside the main office for more about our word of the week.
